【概要】

This course is designed to increase the level of oral skills by a multi-media driven approach. Students are placed in a variety of everyday situations in order to practice their oral skills. Listening is a key element for this class and will enhance the development of overall communicative competency.

【学修目標】

<General goal >

The goal is to improve students' ability to communicate in English by learning vocabulary, grammar, and the general expressions required.

<Functional goals >

- ・ Can have basic conversations with people from other countries using English.
- ・ Acquire vocabulary used in everyday English conversation and be able to express your intentions and opinions more clearly.
- ・ Become familiar with the speed of native spoken English and develop listening comprehension skills through the instructor's spoken English and listening practice.
